## Saint Barthelemy

### US State Dept Travel Advisory

The US Department of State currently recommends US citizens RECONSIDER TRAVEL to French West Indies, which includes the islands of Guadeloupe, Martinique, French Saint Martin, and Saint Barthélemy, due to health and safety measures and COVID-related conditions. Consult its website via the link below for updates to travel advisories and statements on safety, security, local laws and special circumstances in this country. Search under France or nearby Caribbean islands for additional basic information.

<https://travel.state.gov/content/travel/en/traveladvisories/traveladvisories.html>

### Passport/Visa Requirements

US citizens should make sure their passport will not expire for at least 6 months after they enter the country even if they do not intend to stay that long. They should also make sure they have at least 1 blank page in their passport for any entry stamp that will be required. A visa is not required as long as the stay is less than 90 days. Saint Barthelemy is an overseas region of France, however, it is not part of the Schengen Area.

### US Embassy/ Consulate

None (overseas collectivity of France); US citizens may call US Dept of State (202)-501-4444 for emergencies; alternate contact is the US Embassy in Barbados [1] (246) 227-4000; US Embassy in Bridgetown, Wildey Business Park, St. Michael BB 14006, Barbados, WI

### Vaccinations

An International Certificate of Vaccination for yellow fever is required for travelers arriving from countries with a risk of yellow fever transmission and for travelers having transited through the airport of a country with risk of yellow fever transmission. See WHO recommendations.

<http://www.who.int>
